(814) 825-0900
(For soil tests)

Regional Resources

Department of Environmental Protection

Northwest Regional Office
230 Chestnut Street
Meadville, PA 16335
(814) 332-6945
<http://www.depweb.state.pa.us/northwestregion/site/default.asp>

Contractors

A list of "Contractors for Shoreline Protection and Bluff Stabilization Services" can be obtained from the Coastal Resource Management Office and on the PA Sea Grant Web site. The contractors on this list have attended a Best Management Practices workshop for professionals, presented by Pennsylvania Sea Grant and the Coastal Resource Management office. Professional contractors can also be found in the Yellow Pages of your local phone book.

Web Sites and Manuals

The on-line version of this manual is available through the Sea Grant Web site: <http://seagrant.psu.edu/publications/erosion.htm>

This link goes to Pennsylvania DEP's "Tentative Bluff Recession Hazard Area Designations" site. A wealth of information is available at this site, including recession rates at each DEP control site, aerial photos of the PA bluff by township, and information on the Hazard designation for each area.

<http://www.dep.state.pa.us/river/newdesign/bluff/bluffrecessionhazardareadesigrev2.htm>

and

<http://www.dep.state.pa.us/river/newdesign/bluff/TitleNarTOC.pdf>

This link will provide information on regulations that apply to wetlands and streams.

<http://www.dep.state.pa.us/dep/deputate/watermgt/wc/subjects/wwec/general/wetlands/wetlands.htm>

The Shoreline Stabilization Handbook for Lake Champlain and Other Inland Lakes. 2003. Published by the Northwest Regional Planning Commission, Lake Champlain Sea Grant Publication LCSG-04-03. Contact Bonnie Waninger, 155 Lake Street, St. Albans, Vermont 05478, (802) 524-5958 for a hard copy of this manual that gives an excellent description of hard stabilization and bioengineering techniques, or go to <http://www.nrpcvt.com/nrpcvt/shoreline.html>.

These links contain measurements and information about lake levels back as far as 1918.
